### British Isles

*"Had a lovely trip from Aberdeen to Longyearbyen with lots of interesting stops en route. The Captain was very accommodating and even turned the ship around so that we could see a pod of orca. We even got to visit the Fair Isle where weather doesn't always allow landings. On another island, where they don't get many visitors, we were all personally welcomed ashore. The meals on board were excellent. The Expedition Crew were great. I got to see a herd of walrus for the first time!" — Mary Lou*

### Latin America

*"All destinations had 'wow' factor on many levels – excitement, scenic beauty, prolific wildlife, diverse ecosystems, some non-strenuous physical activity, cultural discovery and historical interest! To be a part of the inaugural Greg Mortimer Panama Canal crossing was momentous and awe-inspiring – such a feat of engineering and so special. Having such a small passenger number was so intimate and meant very personalised interactions and activities."*  
— B Stephenson
